

Allendale excels at Sydney with junior team

Bordertown's Allendale stud flew the flag for South Australia at the Sydney Royal Easter Show in April, winning the reserve junior champion Poll Hereford bull award and 4 class awards with a select junior team of cattle.

The 13.5 month old Allendale Rosemount E7 was given the nod for the reserve junior champion bull award by Judge Chris Whitney, Old Bonalbo, New South Wales in a high standard competition.

Rosemount E7 is a son of the Allendale stud's top priced 2007 Dubbo bull, Allendale Vengeance which sold for \$37,500. At Sydney, he tipped the scales at 648 kgs, had an eye muscle area reading of 104 square cms and rib and rump fat measurements of 10mm and 7mm respectively.

Allendale Rosemount E7 will be used in the Allendale breeding program and is then likely to be a leading member of Allendale's 2011 Dubbo National Show & Sale team.

Allendale stud principal Alastair Day said he was rapt with his young team and 3 bulls and 1 heifer that produced 3 class winners and 1 second placing.

"We couldn't have done any better in the class judging, with our second placegetter beaten by another one of our own entries in his class," he said.

Allendale Yallaroi E25, sired by Allendale Superstar B28 won this under 12 month old bull class, while Allendale Zealot E78, sired by Markowen Intruder narrowly missed out on the blue ribbon, coming away with the second placing.

The Allendale 10.5 month old heifer, Allendale Dawn won her class to make a 'hat trick' of blue ribbon wins for the stud (3 wins from 3 classes). This brilliant young heifer then went on to top the Poll Hereford section of the Sydney All-Breeds sale when she sold for \$5,000 to Steve Wilde, Hunter Lakes stud in the Hunter Valley of new South Wales.
