ALLENDALE WELCOME

The Allendale Angus Stud was founded in November 2014 with the purchase of mated females and heifer weaners from the Booroomooka Angus Stud. The Booroomooka cattle have given us an excellent foundation for our stud and we appreciate the opportunity from Sinclair and Hugh Munro. Further females have been added from the Coolana, Witherswood and Anvil Dispersals.

Sires have been sourced from Booroomooka and Rennylea with AI sires consisting of Temania Emperor, VAR Reserve, Sydgen Black Pearl, Rennylea L508, Sydgen Enhance and Millah Murrah Paratrooper.

The addition of Angus cattle to our program has been rewarding and like all of our stud breeding enterprises we aim to breed the best we can.

The support and encouragement from our clients has been very much appreciated and we value the interaction and feedback.

Thank you for taking the time to look at our catalogue and inspect our stock.

Regards

Alastair Day
