ALLENDALE WELCOME

The Allendale Angus Stud was founded in November 2014 with the purchase of mated females and heifer weaners from the Booroomooka Angus Stud. The Booroomooka cattle have given us an excellent foundation for our stud and we appreciate the opportunity from Sinclair and Hugh Munro. Further females have

been added from the Coolana, Witherswood, Anvil and Stoney Point Dispersals.

Sires have been sourced from Booroomooka and Rennylea with Al sires consisting of Temania Emperor, VAR Reserve, Sydgen Black Pearl, Rennylea L508, Sydgen Enhance, Millah Murrah Paratrooper, Chiltern Park Moe, Baldridge 38 Special and

Booroomooka Paragon P96.

The addition of Angus cattle to our program has been rewarding and like all of our stud breeding enterprises we aim to breed the best we can.

The support and encouragement from our clients has been very much appreciated and we value the interaction and feedback

Thank you for taking the time to look at our catalogue and inspect our stock.

Regards,

Alastair Day
